Re: *Flagg, et al. v. Skadden, Arps Pension Plan*, 07-cv-7392 (PKC)

Dear Judge Castel:

As directed, the parties met-and-conferred regarding Plaintiffs' First and Second Set of Discovery Requests, dated October 29, 2007 and January 10, 2008 (consisting of 17 requests for production of documents, 11 interrogatories and 65 requests for admission) and Defendants' responses thereto. The parties have resolved many of their differences, and agreed that others should be set aside until after further discovery takes place, whereupon it may be better understood what additional responses, if any, may be required. It was agreed that documents which Defendants have agreed to produce will be provided to Plaintiffs on a rolling basis, to commence within two weeks and concluding within six weeks. Defendant amended its responses to certain interrogatories and certain requests for admission, and agreed to amend its responses to certain other requests for admission. Plaintiffs have agreed to restate certain requests for admission, and Defendant will respond two weeks thereafter. Privilege Logs will be produced two weeks after document production is completed. Depositions should commence by mid-September.
